

The image shows the top portion of a website for the Redstone Technical Test Center (RTTC). At the top, there is a navigation bar with buttons for 'Welcome', 'Who We Are', 'What We Do', 'Resources', 'How We Work', 'Where We Are Going', and 'How We Meet Our Customers' Needs'. Below this is the United States Army logo and the RTTC name. A banner image shows military vehicles. On the left is a vertical navigation menu with buttons for 'Web Site Map/Navigation Outline', 'Doing Business With RTTC', 'Employment Information', 'Contacting Us', 'Keyword/Key Phrase Search', 'Links to Related Sites', 'Acknowledgement', 'Hi Perf. Computing Distributed Center', and 'Request Test Services'. The main content area contains the title 'Voluntary Information Disclosure Statement' and a list of four numbered points.

## Voluntary Information Disclosure Statement

Thank you for visiting the Redstone Technical Center Web site and reviewing our Voluntary Information Disclosure Statement/Policy. Our policy is not to collect any personal information about you when you visit our Web site, unless you choose to provide that information to us. Shown below is a description of our policy for handling any information you choose to provide RTTC.

1. All "RTTC e-mail forms" (provided for information requests, questions, and comments) are provided as a service to the users/visitors of this site.
2. The basic information requested on these forms consists of 1) your name and e-mail address, 2) your name and phone number, or 3) your name and mailing address. The basic data we require depends on how you wish us to respond to your request.
3. The "e-mail form" that you complete and send to us will go directly to the RTTC representative who is responsible for replying to you. The information on the form is neither stored in a database nor kept for any other purpose than action and response to the e-mail originator.
4. All information provided to us via "e-mail forms" will be treated as confidential and will only be made available on a need to know basis for resolution of the comment.
